

Declaration of Conformity for Food Contact European Union

Karsten International declares that the following item:

Product: Silicon Airfryer basket rectangle 2pcs

Item number:5904

has been evaluated and complies with the EU regulations stipulated below on food contact applications in the European Union.

Regulations:

Commission Regulation (EU) **No 10/2011** of 14 January 2011 on plastic materials and articles intended to come into contact with food.

Commission Regulation (EU) **No 1935/2004** of 27 October 2004 on materials and articles intended to come into contact with food.

Commission Regulation (EU) **No 2023/2006** of 22 December 2006 on good manufacturing practice for materials and articles intended to come into contact with food.

Responsibility and end usage It is the responsibility of the manufacturer of the final product, which is intended as a food contact product, to determine that the use of the product is safe and also suitable for the intended application.

This Declaration of Conformity was prepared according to our present standard of knowledge and may be amended if new cognitions are available and applies only for products mentioned in this document.
